SMURTI WELCOMES

NUTRITION SERVICES

NutriServices proudly serves The Dekalb CSB & D. Scott Hudgen's Jr. Early Education Center

Smurtti Corporation is proud to welcome a NEW PROGRAM! We've recently welcomed new employees who are helping to develop and operate our latest program: Nutrition Services, or "NutriServices". Congratulations to all of our staff who have worked hard to win a new food service contract with Gwinnett Technical College's D. Scott Hudgen's Jr. Center for Early Education. NutriServices made their very first delivery to the center on April 10th, 2013.
