

# Chef Station

waffles • omelets • pasta

Want to add a little variety to your everyday menus? Our Chef's Station's got just the thing. Breakfast and lunch-- the favorite meals of the day. Fluffy and hot off the press waffles and pancakes with fresh toppings served every morning, or every afternoon if you prefer. Delicious and nutritious egg omelets with any choice of vegetable ingredients.

We know that breakfast food isn't for everyone, so we added some pizzazz to the menu. Pasta! Hand crafted, flavorful and jam packed with a variety of garden fresh ingredients and sauces, the pastas here are no joke. This concept would be a great addition to any cafeteria or food court.
