Campuscafe, a division of Smurtti Corp., sponsored the George Fellows Memorial Golf Tournament of 2013 by providing breakfast and a Blimpie lunchbox to each participant. This is the Georgia Perimeter College Foundation's premier fundraising event. Started in 1998 and named after one of the Foundation's founders, the golf tournament is the perfect combination of philanthropy and friendly competition.

The 2012 tournament was held May 11, at the beautiful Château Élan golf course and Winery in Braselton, GA and raised over \$120,000 for the Georgia Perimeter College Foundation. Since 2000, the golf tournament has raised \$800,000 for academic initiatives, Student programs and faculty/staff development.
