

FLAVORS

Welcome home! Our Flavors Southern Gravy lets you forget you are away from home. When home cooked goodness is calling your name, pull up a seat and stay for a spell. The comfort foods include the Chicken & Rice meal which after one bite you'll agree it is simply scrumptious. And there is also the "Is my grandma in the kitchen back there?" Mashed Potatoes with Gravy, simply irresistible. Delicious and wholesome meals that will curb the heartiest of appetites. No one will be able to resist the smell or the taste of our Flavors Southern Gravy.

Feeling cheesy? How about spicy? As a part of our Flavors concept, Queso Mexican Grill serves amazing, you guessed it, quesadillas. They're made with fresh flour tortillas, and all including a creamy blend of cheese that melts just right, served with a side of spicy salsa or cool sour cream. Cheese with perfectly seasoned chicken and steak for the meat lovers, while a rainbow of vegetables melted in cheese lies in wait for the vegetarians and all around healthy eaters. Queso will and a kick of flavor to any menu.
